

IP65 FRONT PANEL HINGED WINDOWS WITH OR WITHOUT BACK BOXES PLUS DIN RAIL BRACKETS

A comprehensive range of high quality hinged windows.
With or without back boxes.
For front panel mounting of MCBs, fuse modules and DIN rail components.

In 4 module, 6 module, 8 module and 12 module options.

Plus full range of DIN rail brackets for easy mounting of components.

A complete range of front panel mounted hinged windows for mounting MCB, fuse and DIN rail mounted modules. With and without back boxes. Back box mounting offers a high quality assembly and wiring finish. Protection is to IP65, with high impact moulded transparent cover and supplied with optional DIN rail brackets for component mounting if required.

| Reference | Description | No of MCB modules | No of locking screws | Cut out size and fixings in mm | Overall size in mm |
